\*\*\*\*\*

The morning sessions of the seminar will be held in Italian and will be focused on the analysis of video recorded lessons of ISL (Corpus CLODIS). The afternoon sessions will be held in Italian and English and will analyse examples of CLIL interactions in English.

It is possible to enroll:

- only for the morning sessions (9 hours)
- only for the afternoon sessions (9 hours)
- for the whole seminar - morning and afternoon sessions (18 hours)

The morning sessions will be recognized as an integration to DITALS level 1 certification for the access to the DITALS level 2 certification.

Candidate who will pass the final test(s) will receive a certificate.

**Scientific Committee:** Pierangela Diadori, Donatella Troncarelli, Beatrice Garzelli (Università per Stranieri di Siena); Piera Margutti (Università per Stranieri di Perugia); Gabriele Kasper (University of Hawai'i at Mānoa); Jan Svennevig (University of Oslo), Numa Markee (University of Illinois)

**Organisation by:** Centro DITALS – Università per Stranieri di Siena
